1970-71 Fishing Regulations

Cottus (Sculpin)

MAY BE USED AS BAIT STATEWIDE

Fishing cannot be greatly improved until the Fish and Game Commission has more information. One of the greatest needs is catch data. Sportsmen interested in helping should write to the Helena Office of the Department for a Fisherman's Log in which they may enter their catch records.

Fishing License

Residents – All residents must have a license to fish except those under 15 years old.

Nonresidents – All nonresidents must have a fishing license to fish, except nonresidents under the age of 15 year may fish without a license when accompanied by an adult with a valid Montana fishing license. The total number or pounds of all fish taken by the licensed adult and all persons under 15 years accompanied by such licensed adult shall not exceed one legal limit. However, a nonresident under 15 years may purchase a nonresident license and be entitled to take a legal limit of fish.

Wildlife Conservation License (Required before purchase of any other fish or game license)

Residents 15 and older	$ .25
Nonresidents 15 years or older	1.00
Resident Fishing License (stamp)	4.00
Resident Sportsman's License (includes Wildlife Conservation License)	20.25
Nonresident Season Fishing License (stamp)	15.00
Nonresident Temporary Fishing License (6-day, stamp)	5.00
Nonresident Temporary Fishing License (1-day, stamp)	1.00
Nonresident Fish, Bird, and Big Game License (includes Wildlife Conservation License)	$151.00
Residents 65 or older need only a Pioneer License to fish. (Available only from State Fish and Game Offices and Wardens)	.15
Combination Pioneer and Wildlife Conservation License (available from license dealers)	.40

Special licenses and permits are available for patients at Veterans' Administration Hospitals and residents of certain State institutions.

License fees are not refundable

Motorboat Closures

It is illegal to operate motor-propelled boats or other motor-propelled craft on the following bodies of water:

Harper Lake in Missoula County.
Park Lake in Jefferson County.
Broadview Pond in Yellowstone County.
Bearpaw Lake in Hill County.
Cole Ponds in Phillips County.
Whitetail Reservoir in Daniels County.
Gartside Reservoir in Richland County.
Branum Lake (Miles City Fish Pond) in Custer County.
Helena Valley Regulating Reservoir in Lewis and Clark County.

It Is Unlawful

1. To empty a minnow bucket (release live fish) or otherwise transplant or introduce any fish or fish eggs into any waters.

2. To take fish in any manner except by angling with a single pole and/or line in hand or under immediate control unless specifically authorized by fishing regulations.

3. To refuse to show license on demand.

4. To loan or transfer your fishing or hunting license or tags to any person.

5. To sell game fish except as prescribed by Montana Fish and Game Commission regulations.

6. To leave or dump any dead animal, fish, garbage or litter in or on any state-owned recreation property or private property where public recreation is permitted, including lakes, streams, campgrounds and access areas.

7. To use or possess minnow seines or traps, snares, or fish traps unless specified under area regulations.

8. To use any carbide, lime, giant powder, dynamite, or other explosive compounds, or any corrosive or narcotic poison or to have any of the same in one's possession within one hundred (100) feet of any stream where fish are found, for the purpose of stunning or killing fish.

9. To operate a boat upon Montana waters which:

Is not properly licensed and numbered with registration card carried in boat.

Does not have one serviceable life preserver for each passenger. Preservers must be approved by U. S. Coast Guard. Persons under 13 years old must wear life preservers when boat is in motion and is less than 26 feet long.

FISHING REGULATIONS

May 17, 1970 through May 15, 1971

LEGAL NOTICE

By order of the Montana Fish and Game Commission, the following dates and regulations for the 1970 – 1971 fishing season are adopted.

Montana Fish and Game Commission
Frank H. Dunkle, Secretary
January 13, 1970

To be in full force and effect through May 15, 1971. All regulations, except state laws, are subject to change by the Commission. For up-to-date information, inquire of the local State Fish and Game Warden.

General statewide provisions for limits, seasons, fishing hours, means of taking fish, etc., are specified below. Specific regulations are given herein under seven fishing districts. A fishing district is a defined portion of Montana established for administration of fishing regulations. The fishing district in which you intend to fish may be determined from the description herein. The statewide regulations which follow apply except where otherwise specified under fishing district regulation.

FISHING LICENSE

A fishing license is a permit for the lawful holder thereof to fish for and possess any fish within the state as authorized by fishing regulations.

SEASONS

All dates given are inclusive dates. Where dates specify an open season, fishing is closed throughout the remainder of the year. An open season is for all species unless otherwise specified.

HOURS OF FISHING

Hours in these regulations are to comply with mountain standard time or daylight saving time whichever is in effect.

Regular fishing hours: Open 5:00 a.m. to 11:00 p.m. in all waters including those open entire year, unless otherwise specified.

Set line fishing, when permitted, will be at all hours unless otherwise specified.

When a water is open to set line fishing at all hours, it is also open to angling at all hours for the same species of fish that may be taken by set lines.

GAME FISH

All species of the family Salmonidae (chars, trout, salmon, grayling, and whitefish); all species of the genus Stizostedion (sandpike or sauger and walleye or yellow pike-perch); all species of the genus Esox (northern pike, pickerel and muskellunge); all species of the genus Micropterus (bass); and all species of the genus Polyodon (paddlefish).

GENERAL DAILY LIMITS AND POSSESSION LIMITS

Daily limit shall mean the numbers or pounds of fish that may be legally taken during the legal fishing hours of a day.

Possession limit shall mean the numbers or pounds of fish which may be in possession in any form, fresh, stored in freezers or lockers, salted, smoked, dried, canned or otherwise preserved at any time or in any place or manner.

The total number or pounds of all fish taken by a licensed adult, and all unlicensed nonresident persons under fifteen (15) years accompanied by such licensed adult, shall not exceed that licensed adult's limit.

One each of the following limits may be taken and possessed. Note exception on Georgetown Lake in Fishing District 2. No person shall take or possess more than the daily limit of fish unless otherwise specified. Weight limits to be computed by dressed weight with heads and tails intact, provided that two (2) fish may be caught regardless of weight limitation.

Limit Number 1. Golden, Cutthroat, Rainbow, Brown, and Lake Trout, Dolly Varden and Grayling: Ten (10) pounds and one (1) fish not to exceed ten (10) fish.

Limit Number 2. Brook Trout (eastern brook trout): Ten (10) pounds, no number limit.

Limit Number 3. Whitefish: Twenty (20) fish.

Limit Number 4. Walleye, Sauger, Northern Pike and Bass: Fifteen (15) fish.

Limit Number 5. Kokanee (sockeye salmon) and Coho Salmon (silver salmon): Twenty-five (25) pounds and one (1) fish, not to exceed ten (10) fish, except during the snagging season designated under Fishing District Regulations, when the daily limit shall be twenty-five (25) pounds and one (1) fish not to exceed thirty-five (35) fish and not more than two (2) days limit be allowed in possession.

Limit Number 6. Paddlefish: Two (2) fish.

There is no limit on nongame fish.

MEANS OF TAKING

Only a single line and hook or hooks with or without a pole may be used for fishing unless otherwise specified in these regulations. Pole or line must be in immediate control.

Set lines shall be permitted only where designated under fishing district regulations. Unless otherwise specified up to six (6) lines with no more than six (6) hooks per line shall be allowed per person.

Snagging of fish is unlawful at all times except paddlefish may be snagged in the Missouri River Drainage below Morony Dam, in the Marias River below Tiber Dam, and in the Yellowstone River Drainage below the highway bridge at Custer, Montana. Also kokanee and coho salmon may be snagged as provided in specific fishing district regulations under Snagging Salmon. Where snagging is allowed, any number of hooks may be used.

Fishing for (or hunting of) nongame fish and paddlefish shall be allowed with a bow and arrow in waters open to fishing.

Skin divers when swimming or submerged may take nongame fish with the aid of rubber or spring propelled spears in waters open to fishing.

Use or possession of minnow seines or traps, snares, or fish traps is unlawful unless specified under fishing district regulations. Except a screen or a net not to exceed four (4) feet in length may be used to take sculpins (Cottus) for bait.

BAIT: It shall be prohibited for any person to use, possess, or transport any fish (except sculpins) dead or alive for fish bait, except as provided under fishing district regulations. This does not prohibit the use of cut bait, or the use of whole fish preserved or frozen. Fish used for cut bait must have their heads or entrails removed. Preserved or frozen fish used for bait must be dead.

All waters of the state are closed to the use of carp or goldfish for bait.

It shall be prohibited for any person to introduce into any water any food or substance that may concentrate or attract fish. (This does not prohibit angling for fish with legal lures and baits or placing bait inside hoop nets where hoop nets are permitted.)

CLOSED WATERS

All waters operated by the Fish and Game Department and the U. S. Fish and Wildlife Service as fish hatcheries and rearing ponds shall be closed to fishing at all times. Waters in which the Fish and Game Department is operating fish traps and other special structures shall be closed to fishing as posted. Certain public water supply lakes and streams and hazardous areas are closed as posted.

CHILDREN'S FISHING WATERS

Waters designated as Children's Fishing Waters are closed to fishing during the entire year to persons thirteen (13) years of age and over as posted.

BEAVER PONDS, IRRIGATION CANALS AND DITCHES

Impoundments formed by beaver dams on a stream are governed by the same regulations as the stream. Man-made irrigation canals and ditches are open the year around, except in Ravalli County – see Fishing District 2 regulations.

INDIAN RESERVATIONS AND WILDLIFE REFUGES

Certain waters on Indian reservations and National wildlife refuges may have special regulations. Specific information may be obtained from the headquarters of the reservation or refuge involved. The special refuge regulations are also available from the Montana Fish and Game Department.
